## Registration Conditions

### Registration Fee:

**USD 950,00/person**

### Registration:

Registration form has to be sent for pre-registration. For the precision registration, fee has to be paid in the bank account (which is given at below) **most lately 15 days** before the training. Precision registration is done when sent with both "Registration Form and Bank Receipt". (If the registration form is sent for pre-registration and there is not discussed any change, only bank receipt can be sent.)

### Delay:

If the enough registration is not provided, SmartAge can bring forward or cancel the training. Registration fees are given back in the cancellation issue.

### Cancellation of registration:

Attendants can cancel their registrations 7 days before the beginning of training. If the attendants cancel their registrations less than 7 days before the beginning of training, 50% of registration fee is given back. However, there is not considered any giving back if the attendants cancel their registrations less than 3 days before the beginning of training.
